

# #WINTERINTOSPRING

BY E. E. COLI

Split 4+ players between contentious "Minority"/"Majority" factions.

You're fashionistas vlogging before and after Revolution.

**DEFINE "Fashion"** ("everyday human-ish," "cybernetics," ... ).

Grab any 2 magazines.

**Everyone:** Glue together a paperdoll representing your fashionista using body-parts cut from magazines.

**To CONSUME Fashion**, each faction spends 6 minutes cutting pictures of attire from magazines (clothing, accessories, hairstyles, ...).

Cut hastily, roughly. Majority cuts first. Factions keep separate wardrobes.

**Every season**, each faction picks one word on the flipside of any cutout. These're TRENDING Revolution-related hashtags.

Interpret their meanings. Incorporate them during roleplaying.

## ~WINTER (BEFORE REVOLUTION)~

Consume Fashion.

**MINORITY:** Speaking as your fashionistas, roleplay [#GetReadyWithMe](#) videos showing morning routines. Model Fashion on paperdolls.

**Discuss:**

- Today's agenda.
- How outfit complements agenda.
- Vlogosphere drama.

**MAJORITY:** Roleplay Holiday [#OutfitOfTheDay](#) videos modeling festive Fashion.

**Discuss:**

- Holiday.
- How outfit reflects traditions.
- Family.

**CRITIQUE everyone!** (clothes fit paperdoll? accessorized? ...)

## ~REVOLUTION!~

Players swap factions!

Discard all Fashion!

## ~SPRING (AFTER REVOLUTION)~

Consume Fashion.

**MINORITY:** Roleplay Holiday [#OutfitOfTheDay](#) videos.

**Discuss:**

- Holidays: what's changed?
- [#currentmood](#).
- Family.

**MAJORITY:** Roleplay [#HAUL](#) videos. Unbox multiple Fashion acquisitions ("shoe haul").

**Discuss:**

- How life's improved.
- Favorite postrevolutionary brands.
- Rival vloggers.

**Critique everyone!**

>>**After SPRING**, return to WINTER. Check magazines:

>>**Fashion scarcity?** REDEFINE Fashion ("No more clothes? Wear flesh.")

>>**Empty?** End.
